Subject: Lane Plating OSC Change
Date: Thursday, September 08, 2016 1:10:24 PM

Good Afternoon,

FYI I just wanted to let you all know that Mark Hayes will be taking over OSC duties from me on Lane Plating and will be the main POC going forward. The AM has been signed, so as soon as Mark is up to speed we should be moving forward with the Removal. I will certainly make myself available for any issues I can assist with. Thanks everyone.
